It's important to us that we invest in our SC communities that we provide services for.

Segra is a progressive communications company that maintains an unrelenting commitment to the Carolinas to be at the forefront of technological leadership, investing in their communities, steering the way to elevate infrastructure within SC, NC and GA. The positive impact radiates throughout the Carolinas growing and investing in the workforce, infrastructure and local community. In response to changing technological requirements and an understanding that technology only exists to serve people, Segra is devoted to fostering an innovative framework.

SEGRA℠ Wifi

Whether on a laptop, tablet or smartphone, you can connect to #GOSEGRA for FREE public Wi-Fi in areas like Main Street in Downtown Columbia, Spartanburg's Denny's Plaza and Morgan Square Parks, the City of North Augusta, the Columbia Riverbanks Zoo, BullStreet and Segra Park.

GIGUP™ SOUTH CAROLINA

We are bringing Gigabit Internet speeds to businesses throughout the region with over 1,000,000 miles of gigabit-ready fiber. Our GigUp South Carolina initiative is bringing Gigabit Internet speeds to businesses throughout the region enabling faster download speeds with a faster online experience while improving business communications and efficiency.

SCRA

Segra plays a major role in the advancement of research in the Carolinas healthcare industry. We've donated $1.4 million to Clemson University, MUSC and the University of South Carolina totaling $4.2 million to aid the advancement in healthcare research. This donation funded the complete infrastructure for the SC Lightrail, a fiber-optic backbone that connects all three premier research universities for greater access to collaborative opportunities.
